

THE PATENTS RULES, 2003

Rule 27

Inspection and supply of published documents

After the date of publication of the application under section 11A, the application together with the complete specification and provisional specification, if any, the drawing, if any, the abstract and any other document filed in respect of the application may be inspected at the appropriate office by making a written request to the Controller on payment of the fee in that behalf and copies thereof may be obtained on payment of fees specified in the First Schedule.
